

"Snack-a-Torium"

The canteen offers students a variety of nut-free healthy lunch and snack items, and will do its best to keep costs for students as low as possible. The canteen is open during the morning nutrition break, the first 10 minutes of the lunch hour and for dances and other special events. We continue to offer a "debit system" for students who want to keep an account in case of a forgotten lunch or for the occasional treat. Please contact the school for more information. No credit will be allowed from the canteen. Fresh sandwiches are delivered weekly from "Norm n' Nates" deli.
